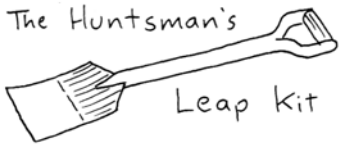
The Huntsman's Leap Kit

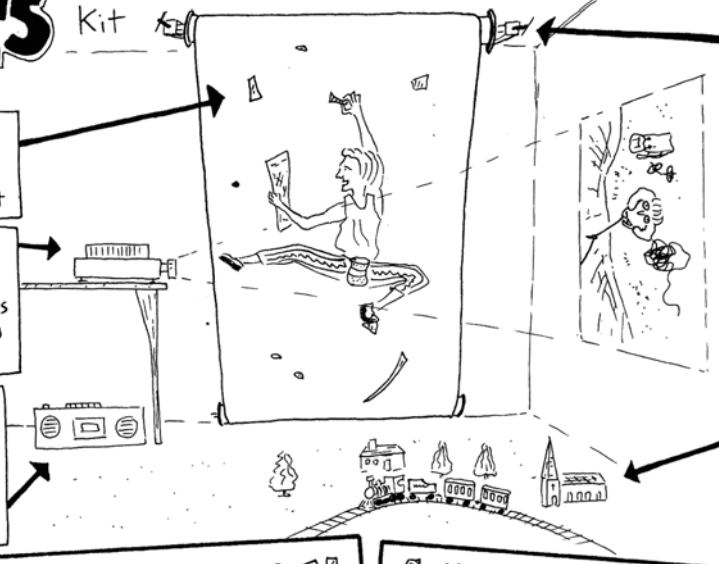


Each MOONIES© Kit contains:

"GRIP-TYTE" holds: made from moulds of the route. Free 'BRASSO' with each limestone kit

"MULTI-VIEW" background slides: taken from the route. With mix and match possibilities - move routes in Horseshoe Quarry to the top of the Verdon Gorge

"ATMO-SOUND" background tapes: shouts of encouragement, shouts of abuse, general grunting noises or a serenade from Kylie Minogue



"ROLL-O-CLIMB" incorporating "BULGE-O-MATIC" tilting feature. With a range of settings from Raven Tor Redpoint to Stanage Bumblie mode.

"SIMUL-VISTA": Scale models to give realistic exposure. Swiss village, field of grazing sheep, burnt out wreck for the Millstone kits, plus from the Verdon kits - lizard basking in the sun.

## NEW KITS IN PREPARATION

1. THE NOSE, El Capitan, Yosemite - CRUX PITCH No. 53 (Only to be used in conjunction with kits Nos. 1-52)
2. THE BLUE ROUTE, The Foundry
3. BANANA FINGER DIRECT, Burbage North (Pack-away travellers version)

## AND EXTRA ACCESSORIES

- "VOGEL-SCHEISS" and "FULMAR-HONK" aerosol spray for sea cliff routes.
- "WOBBLE-ROCK": randomly self-destructing holds to be added to all Raven Tor kits.
- "BIG-JOBS": for routes near the edges of crags, with realistic smell and pink paper topping.
