

Mornin'

Mornin'

Oh look 'ere they come again

Blah, blah, blah, blah, Ron

Aye

I wonder if 'blah, blah' means anything

Blah, blah, blah, blah, ES, blah, blah, 16 pints

No

Why do 'umans clamber all over rocks?

Cousin Ethel reckons it's some sort of mating ritual

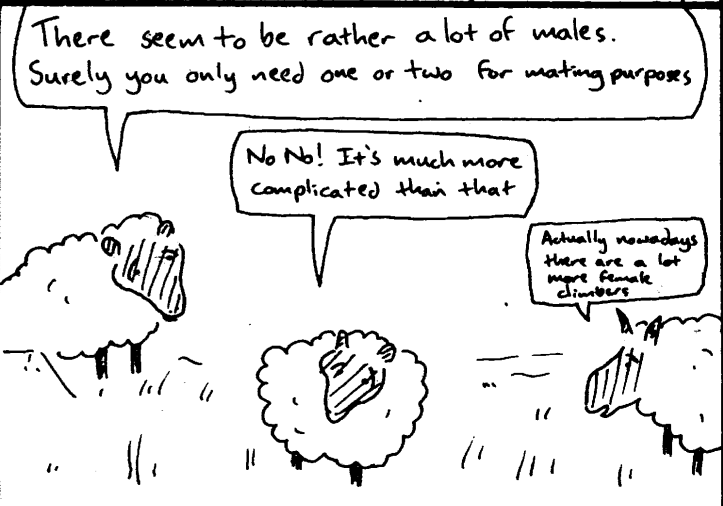

Who's Ethel?

She's the one who doesn't like grass

You know, the thin one

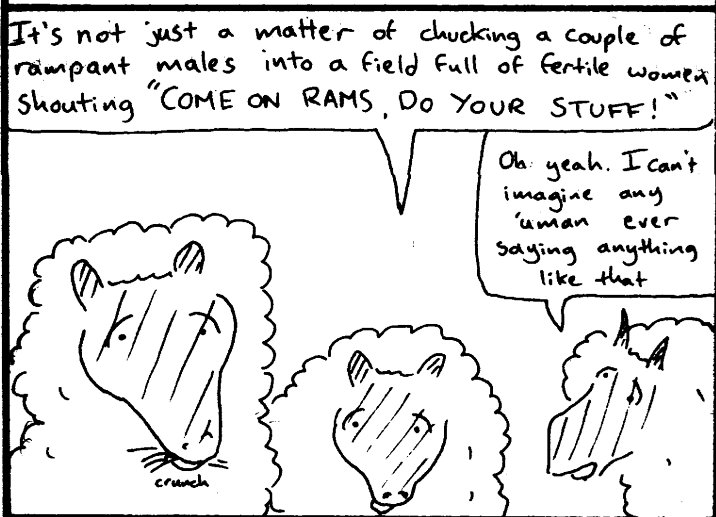

Oh yeah!
Summer of an allergy

There seem to be rather a lot of males. Surely you only need one or two for mating purposes

No No! It's much more complicated than that

Actually nowadays there are a lot more female climbers

It's not just a matter of chucking a couple of rampant males into a field full of fertile women shouting "COME ON RAMS, DO YOUR STUFF!"

Oh, yeah. I can't imagine any 'uman ever saying anything like that

Doing anything interesting tonight?

Yeah I think I'll go and eat some grass over by those boulders

Blimey that's a good idea
